

2018 minimus Grenache/Syrah Cowhorn Vineyard Applegate Valley

This was our first year working with the esteemed biodynamic Cowhorn Vineyard in the Applegate Valley. We harvested the Grenache and Syrah on the same day, de-stemming most and leaving a portion of whole cluster of each varietal. These co-fermented in two open-top fermenters at cool temperatures for about two weeks, then we pressed them together and aged the blend in neutral oak for almost two years.

ALC.	13.8%
PH.	3.42
VARIETALS.	78% Grenache, 24% Syrah
WHOLE CLUSTER.	20%
AGING.	22 months in neutral French oak barriques
CASES PRODUCED.	95
