2017 Omero GAMAY NOIR eola-amity hills

All of this beautiful fruit comes from Jubilee Vineyard in the Eola-Amity Hills, where it basks in sunlight all day long and is cooled by powerful coastal winds snaking through the Van Duzer corridor. Small berries result in vibrant color, and concrete tanks support a slow, cool fermentation as well as preserving fresh aromatics. After fermentation, the wine ages in neutral oak barrels for 10 months before bottling.

ALC.	13.5%
pH.	3.34
WHOLE CLUSTER.	10%
SOILS.	volcanic
AGING.	Neutral oak
CASES PRODUCED.	460
