

# NV Minimus

## Pétillant Naturel

## Johan Vineyard

## Van Duzer corridor AVA

This sparkling coral colored wine from Johan Vineyard grapes combines Blafränkisch rosé from 2018, aged for two years and direct-pressed Blafränkisch juice from 2020 vintage. The resulting blend is simultaneously fruity and restrained, elegant and playful, and alive- with zero added sulfites. We can't get enough of this peachy, bubbly goodness!
