## HELIX WHITE WINE

### Caroline Vineyard

### Chehalem Mountains AVA

We produced this wine in a similar fashion to our Origin sauvignon blanc-Chardonnay from previous vintages; fermenting whole chardonnay grapes in direct-pressed sauvignon blanc juice for almost three weeks to build structure, character and enhanced aromatics. This year's blend comes from Caroline vineyard in the Chehalem Mountains, an organic, dry-farmed site planted in 2016.
